MANGANESE TARIFF DISCUSSED IN SENATE

STATEMENT DENIED THAT HOOVER URGED IT ON THE FREE LIST

SENATOR WHEELER BRINGS UP
QUESTION OF FINANCE COM-
MITTEE'S CHANGE OF HEART

THAT BODY HAD FIRST SUP-
PORTED AN INCREASE IN
ITS TARIFF RATE

Washington, Nov. 7.—(U.P.)—A slight increase in the existing one cent pound duty on manganese ore was adopted late today in the senate. The action was a compromise between the finance committee recommendation for restoring the item to the free list and the movement of western senators to increase the duty to one and one-half cents.

By PAUL R. MALLON
(United Press Staff Correspondent)

Washington, Nov. 7.—The suggestion that President Hoover induced republican members of the senate finance committee to reverse themselves and place manganese on the free list while drafting the tariff bill was made and denied in the senate today as the independent-democratic coalition resumed its attack on the administration measure.

Sen. Wheeler, democrat, Montana, and Sen. Bratton, democrat, New Mexico, brought up the question of the committee's change of heart on the manganese question. They reported rumors current at the time the committee took its second vote on the manganese rate that the president influenced two members of the committee to vote for free admission after they had first supported an increase in rate.

Chairman Smoot of the committee and Senator Bingham, republican, Connecticut, denied the president had communicated with them.

Chairman Moses of the senatorial campaign committee whose selection of Otto Kahn, New York banker, as treasurer, brought the displeasure of the White House, in answer to questions said "it was a matter of common rumor in Washington at the time" but added he had no personal knowledge of the facts.

No action was taken in the matter but the incident appeared to come to accentuate the series of differences between the White House and the senate climaxed yesterday when Senator Johnson, republican, California, failed through what President Hoover said was a mistake, to get a White House dinner invitation.

Wheeler persisted in the statement he had been informed privately by a member of the committee that the president was responsible. He said the reversal came the day after the announcement that the United States Steel Corporation had concluded a contract with the Soviet government for importation of 80,000 to 150,000 tons of manganese ore annually.

Bratton read a newspaper account charging that Bingham was one of the committee members who said he had changed his vote because "the White House wanted it."

Bingham promptly denied he had changed his position or that the president had attempted to influence his vote.

"The president never sent word to me," said Smoot, "and I don't believe he did to a single member of the committee."

Senator Reed, republican, Pennsylvania, contended the U. S. Steel Corporation had not made any new contract with the Soviets but said he did not know about the Bethlehem Steel Corporation which Senator Walsh, democrat, Montana, contends was the corporation involved.

Senator Ashurst, democrat, Arizona, pointed out the United States Steel Corporation would save between \$2,000,000 and \$4,000,000 a year, with manganese on the free list.

The debate referred to the one cent a pound rate on manganese in the present law which was retained in the bill passed by the house. The senate finance committee voted first to increase the rate slightly by applying it to all ore of more than 10 per cent metallic content instead of 80 per cent as in the house bill. Later by a 6 to 5 vote with two senators whose names have not been divulged changing their position from the previous vote, manganese was put on the free list.

Declare Student Bootleg Ring Was in Operation

Ann Arbor, Mich., Nov. 7.—(U.P.)—Fletcher Hall, Michigan University's men's dormitory where, police say, a student bootleg ring has existed, will be closed after next Monday, according to an announcement by Fred B. Wahr, assistant dean. The dormitory, a private one not under university jurisdiction, housed about 75 students.

Marriage of Royalty to Be Held in Rome

Rome, Nov. 7.—(U.P.)—The marriage of Crown Prince Humbert of Italy and Princess Marie Jose of Belgium will be held in Rome in February instead of Turin late in January as originally planned, it was said on reliable authority today.

Group Trapped on Hill, Molten Lava All Around

WIFE MAKES A DEATH TOAST AS SHE TAKES POISON

Detroit, Nov. 7.—(U.P.)—"Here goes, Big Boy. Good luck." With this short farewell to her husband, Mrs. Louise Hawkins, 19, swallowed acid early today and died an hour later. The husband, Horace, 26, was burned from acid she dashed in his face as he attempted to thwart her attempt. They were playing bridge with another couple when the death toast was made.

FEDERAL GRAND JURY CONSIDERING A LIQUOR PARTY

EXPECTED TO DECIDE TODAY IF
TO CONTINUE PROBE AT
WASHINGTON

SENATOR BROOKHART AMPLI-
FIES STATEMENTS BY MEN-
TIONING MORE GUESTS

Washington, Nov. 7.—(U.P.)—A federal grand jury was expected to decide today whether to continue its investigation of a liquor party given for a group of senators.

U. S. Attorney Leo Rover, following the testimony of Senator Brookhart of Iowa concerning the party given in 1928 by Walter Fahy, New York broker, asked the grand jury to notify him if they desired to have additional witnesses subpoenaed to tell of the incident.

Additional witnesses probably would include several dry senators who Brookhart has publicly said did not drink and several "Wall Streeters," including Fahy. Brookhart has amplified his senate speech by mentioning Sen. George H. Moses, republican, New Hampshire, and President W. W. Atterbury of the Pennsylvania railroad, among the guests.

GEO. A. McMANUS OF N. Y. TO FACE MURDER CHARGE

COURT ACTION COMES OVER A
YEAR AFTER MURDER OF
ARNOLD ROTHSTEIN

DEFENDANT AND OTHERS WERE
INDICTED A MONTH AFTER
THE SHOOTING

New York, Nov. 7.—(U.P.)—A little more than a year after Arnold Rothstein, the gambler, was fatally wounded in the room of a local hotel, District Attorney Joab Benton has announced that he is ready to proceed next Tuesday with the trial of George A. McManus on a charge of murdering Rothstein.

McManus, a former racetrack bookmaker, and three others—Hyman Biler, a fugitive, and two unidentified men referred to as John Doe and Richard Roe—were indicted a month after the shooting.

Benton, in reviewing his case for trial, charged that the slaying climaxed a quarrel between Rothstein and McManus over alleged cheating in a stud poker game in which Rothstein said he had lost more than \$300,000. McManus had lost \$51,000 in that game, Benton said, and had paid the gambler a short time before the killing.

The jury, Benton said, will be selected from a "blue ribbon" panel of 150 talesmen.

McManus originally was scheduled for trial last month after Frederic Coudert, Jr., unsuccessful republican-fusion candidate for district attorney, attacked Benton, but Judge Nott in general sessions postponed the proceedings until after election day.

BABY COUGHS UP SCREW SWALLOWED

Chicago, Nov. 7.—(U.P.)—After two operations had proven unsuccessful in removing a screw from its throat and doctors had despaired of its life, Leonard Boyce Gilbert, two and a half, coughed up the offending bit of metal when a nurse held him by his feet and shook him during a severe choking spell.

Raid Gambling Hall at Cicero; 300 Under Arrest

Chicago, Nov. 7.—(U.P.)—Three hundred patrons were under arrest today after a raid by state's attorney's police upon a gambling hall in Cicero, Chicago suburb. Roulette, dice and chuck-a-luck games were in progress, police said. It was the second raid upon the resort within the month.

Judge R. H. Hamilton Found Not Guilty, Had Been Charged With Murdering Son-In-Law

JURY DECIDES AFTER SHORT DELIBERATION

DEFENDANT RECEIVES NEWS
WITH SELF-POSSESSION CHARACTERISTIC THROUGH TRIAL

WIDOW MAY RETURN TO UNI-
VERSITY OF TEXAS OR AT-
TEND U. OF MINNESOTA

Weatherford, Texas, Nov. 7.—(U.P.)—Judge R. H. Hamilton returned to Amarillo today to resume his practice of law which was interrupted last May 4 when he was charged with murder after shooting his 21-year-old son-in-law, Tom Walton.

A jury of 11 plainmen and a bank cashier returned a verdict of not guilty after an hour and forty-five minutes of deliberation last night.

The verdict came suddenly while Judge Hamilton was at dinner with his family at the Weatherford hotel. Only the crowd of spectators, many of whom had gone without an evening meal to retain places in the small court room, was present when the jurors filed in and reported.

Judge Hamilton received the news with the self-possession characteristic of him throughout the trial, which began Monday, Oct. 28.

"I will return to Amarillo at once and resume the practice of law," Hamilton said.

Theresa, his 18-year-old daughter, and widow of the boy who was slain after secretly marrying her, received the verdict with a smile.

"I am very happy," she said. "I shall either return to Texas University or go to the University of Minnesota with Robert, my brother."

Robert Hamilton is a student instructor in medicine at the northern school.

The jurors announced the first ballot stood 8 to 4 for acquittal and the second 11 to 1 for acquittal. The fourth brought agreement.

Mrs. Grace Walton, mother of Tom, heard of the acquittal in her room at the hotel. She said she was extremely tired and did not wish to comment. Friends said she had been near collapse from the strain of the trial during which she was called to the stand briefly.

Weatherford today presented a deserted appearance. Activities in the town during the past week and a half had been disrupted by interest in the trial. Hundreds of farmers were here as well as persons of prominence in the state's judiciary, churches and schools, many of whom were witnesses. Almost the whole range of Texas society had been represented from college presidents to plainmen in high boots and overalls.

During the long trial the prosecution attempted to prove that Judge Hamilton shot and killed his young son-in-law in a fit of anger when the boy went to the jurist's office to announce his secret marriage to Theresa.

The defense, meanwhile, presented witnesses to prove that young Walton had threatened the life of the judge and that Hamilton fired the fatal shots in self-defense.

SHIPPING BOARD FREIGHTER FOUNDERS OFF SWEDISH COAST

Stockholm, Nov. 7.—(U.P.)—The 5,000 ton freighter Conehatta of the United States Shipping board foundered today off the Norrland coast, northern Sweden, near Brothaelan.

The Conehatta, en route from Helsingfors to Hoernfors, lost her direction in a fog and went aground, later sinking. The Swedish steamer Heracles rescued the crew with the exception of the captain and two engineers who remained aboard, only part of the vessel being under water. Attempts to tow the ship to harbor after she grounded failed because of heavy seas.

The Conehatta is from Philadelphia. It normally carries a crew of 41. The ship is 390 feet long and was built at Hog Island, Pa., in 1920.

BOY OF 9 ADMITS STEALING 10 CARS

Jackson, Mich., Nov. 7.—(U.P.)—A 9-year-old boy who admits having stolen ten automobiles, is under arrest here. The youngster was arrested last night after his father had informed police the boy had run away from home. The child was driving a small truck when taken into custody.

Largest Strip of Mine is Placed in Operation

Dubuque, Ill., Nov. 7.—(U.P.)—The largest strip of mine in the world was placed in operation here today by the United Electrical Coal company. The mine is in the center of a 20,000 acre tract of coal land.

German Prince Dies of Injuries in Plane Crash

Godstone, Surrey, England, Nov. 7.—(U.P.)—Prince Eugene of Schaumburg-Lippe died today of injuries received in the crash of a Luftansa commercial plane yesterday, making the toll of deaths in the disaster seven.

Burglars Rob Postal Substation, Grocery Store

St. Paul, Nov. 7.—(U.P.)—Burglars robbed a postal substation and adjoining grocery store of \$375 during the night, police reported here today.

FIRE CAUSES DEATH OF THREE SMALL CHILDREN

Thompsonville, Mich., Nov. 7.—(U.P.)—Fire which destroyed their home near here caused the death of three small children of Mr. and Mrs. Frank Eddy. Those dead are Lulu, 4; Lena, 3, and Melvin. The Eddys were working on their farm out of sight of the house when the fire started yesterday. Passing motorists saw the flames, but arrived too late to effect a rescue.

ST. CLOUD AND STEARNS COUNTY NO LONGER WET

MAGAZINE WRITERS NO LONGER
MAY SINGLE OUT AREA AS
WETTEST IN STATE

M. L. HARNEY, DRY ADMINISTRATOR, EXPRESSES VIEWS IN
INTERVIEW

St. Paul, Nov. 7.—(U.P.)—Magazine writers no longer have the right to point to St. Cloud and Stearns county as the wettest community in Minnesota, M. L. Harney, assistant prohibition administrator for the northwest, declared here today in an interview with the United Press.

Recent raids in that section of central Minnesota, combined with many convictions under the Jones law, effectively have curbed illicit manufacture and sale of liquor there, Harney declared.

"Large scale manufacture of the widely publicized 'Minnesota 13' moonshine whiskey for which Stearns, Morrison and Benton counties once were noted virtually has been abandoned," he said.

"Until a few months ago the exportation of liquor from the St. Cloud area to parts of Minnesota, North and South Dakota might have been called a major industry. The recent concentration of federal enforcement agents in that district have called a halt, however."

Harney revealed that dry agents were stationed in St. Cloud throughout this summer and their immediate presence caused an exodus of liquor vendors and manufacturers to the nearby counties of Benton and Morrison.

The enforcement chief called attention to a series of recent raids in the central Minnesota district and pointed out that most of the 30 persons arrested were charged with making or selling beer and not moonshine.

Harney maintained the home brew seizures indicated a trend toward the manufacture of liquor only for home consumption in contrast to former wide distribution.

"Any unfavorable comment on the community, or any possible depressing influence on business, in St. Cloud," another official in the enforcement department declared, "can be alleviated now. Conditions there are no worse than in other Minnesota districts."

Among the counties which Harney ranked as "just as bad or worse than Stearns" were Winona, Ramsey, Dakota, Morrison and Benton.

Indictments Against Suspects in Ring of Narcotic Smugglers

St. Paul, Nov. 7.—(U.P.)—Indictments on eight or more counts were returned by the federal grand jury here today against five men, suspected as members of an organized gang of narcotic smugglers.

The men indicted, all of whom were arrested in a Minneapolis raid that netted \$25,000 in narcotics, are Paul Kain, oe Katz, Jake Stearns, R. M. ohnson and Phil Keith.

MOTHER OF TEN FIRES AT HUSBAND, THEN KILLS HERSELF

Lincoln, Ill., Nov. 7.—(U.P.)—Mrs. Joseph Wysocki committed suicide here last night after attempting to murder her husband as he lay ill with tuberculosis.

Ten children, who were awakened by the explosions rushed into the room to find their mother dead and their father apparently dying from a bullet wound in the chest. Wysocki told officials his wife had been drinking.

McALPINE AND PARTY RETURNING TO CIVILIZATION

4 RESCUE PLANES CARRYING
LEADER AND 7 GEOLOGIST
EXPLORERS

SCIENTISTS HAD BEEN LOST
SINCE SEPTEMBER 8 IN UP-
PER REACHES OF NORTH

Winnipeg, Man., Nov. 7.—(U.P.)—Col. C. D. H. McAlpine and his party of seven geologist-explorers, were being brought back to civilization today in the four rescue planes.

The scientists, who staggered into a Hudson's Bay trading post at Cambridge Bay early this week after having been lost in the Arctic since Sept. 8, were transported to Bathurst yesterday and will continue the 1,850-mile trip back to Winnipeg today if weather permits.

Capt. G. S. Blanchet, in charge of the rescue squadron sent a radio message from Bathurst saying that his passengers were in good shape physically and that he hoped to reach Baker's Lake, 400 miles farther south, by tonight. From there the next hop will be to Churchill, terminus of the Hudson's Bay railroad and 500 miles from Baker's Lake.

It was feared the flight to Churchill could not be completed for several weeks as ice in the harbor there is not strong enough to permit landing of ski-equipped planes such as those used by Blanchet.

PRISON SHIP CARRIES CONVICTS IN BARRED CAGES

SHIP LA MARTINIERE TO LEAVE
FRANCE WITH 675 PRISONERS
FOR DEVIL'S ISLAND

DREADED FRENCH PENAL COL-
ONY SITUATED OFF COAST
OF FRENCH GUIANA

LaRoche, France, Nov. 7.—(U.P.)—The prison ship LaMartiniere, its holds filled with barred cages to contain its unhappy human cargo, arrived off the island of Re today from its semi-annual trip to Devil's Island.

LaMartiniere will sail tomorrow after 673 convicts have been locked aboard. In three weeks they will arrive at the dreaded French penal colony off the coast of French Guiana in South America, from which few prisoners have ever escaped. Most of those condemned to Devil's Island never see their homeland again, working at the labor of the island until they die.

Ten convicts escaped the fate of their fellows as the motley crew of murderers, counterfeiters, forgers and cut-throats were marshalled for the journey. Medical examination of the ten showed that their health was precarious and that they would be unable to withstand the hardships of the penal colony. They were overjoyed at the prospect of life-time imprisonment on the fertile island of Re, off this port in the Bay of Biscay.

Their places were taken by ten other prisoners who otherwise would have awaited the next sailing of the ship early next year.

Among those on this trip will be Mestorino, the Italian "torch murderer," whose wife has avowed her intention of sailing for French Guiana and staying there the remainder of her life, sharing her husband's exile, though she will not be allowed to see him. Perhaps after years of good behavior, Mestorino may be allowed a place on Ile Royale, the administrative island of the group, and his wife permitted to join him—but the prospect of a reward for her faithfulness is silent.

The Devil's Island group is only five degrees north of the equator. It is properly called Iles De Salut, consisting of Ile Royale, St. Joseph and Ile De Diable, or Devil's Island. The latter is to the seaward of the group, a lonely and isolated spot off the steaming jungles of Guiana. It was the prison of Alfred Dreyfuss, who was there from 1899 to 1899.

MEN, WOMEN, CHILDREN FACE TRAGIC END

AVIATOR FLYING ABOVE GUATE-
MALA VOLCANO REPORTS
THEIR FLIGHT

NO POSSIBLE CHANCE OF GET-
TING AID TO THE PITIFUL,
DOOMED NATIVES

New York, Nov. 7.—(U.P.)—The trapping of a group of men, women and children on a hilltop, entirely surrounded by molten lava from the volcano Santa Maria, in Guatemala, was reported to the Pan-American Airways here today by an aviator who flew over the erupting cone.

The volcano, which burst into violent eruption on Sunday, was estimated by the Guatemalan government to have taken 300 or more lives and caused tremendous damage.

The plight of the people on the hill was discovered by D. G. Richardson, operations manager of the Mexican division of the Pan-American lines, who flew over the crater on one of the regular Pan-American planes operating on the line between Brownsville, Texas, through Mexico and central America to Managua, where the Mexican division joins the Miami-Cristobal line.

The fate of the trapped natives was not known, but Richardson believed they were doomed. There was no possible chance of getting help to them. The volcano has subsided in the last two days, however, and there was a chance that if the lava did not engulf the hill, some of those trapped might have escaped by now.

A vivid description of the havoc wrought by the volcano was given by Richardson, who reported that the destruction extended for miles. The usually green foliage was burned everywhere to a dirty brown. Haciendas were deserted, with refugees in some cases marooned by the lava to await a slow death. Richardson's report, sent from Guatemala City, follows:

"In the chain of air lines operated by the Pan-American Airways, one division goes from Mexico to Guatemala. The route flown takes the large tri-motored planes close to the crater of the old volcano Santa Maria. Time and again I have flown over and looked down into this pot of seething lava and wondered when it would again boil over as it did in October, 1902."

"Only a day before its recent eruption, when flying back to Mexico I looked down at the toy haciendas at its base and saw the peons working in the fields. They stopped a moment to wave me a feliz viaje (pleasant journey), oblivious of the danger to come."

"That danger was ever present in the frequent rumblings of Santa Maria, and the hardened lava through which holes have been dug for years to reach soil to grow the coffee for which Guatemala is famous."

"Today I flew back and the havoc wrought by Santa Maria's latest outbreak was visible miles away. The usual green foliage had turned to brown, the shade growing darker as we approached the still smoking crater, from which red hot lava was slowly flowing towards the sea. Gone were my toy haciendas and today I wondered at the fate of those who did not wave a feliz viaje."

"Then I saw something which will ever live in my memory, an island surrounded by a moving mass of lava which must be getting higher and higher. On it men, women and children were trapped with no hope of escaping a horrible death, unless old Santa Maria so decrees."

South Dakota Bankers Offer Reward for Capturing Bandits

Eden, S. D., Nov. 7.—(U.P.)—A reward of \$1,000 was offered today for the capture, dead or alive, of three bandits who held up and robbed the First National Bank of Eden of \$4,000.

O. R. Skols and two patrons were held up by the bandits Wednesday and locked in the vault. The three men fled north and deserted their car at Lake City where they evidently were picked up by an accomplice in another machine.

The South Dakota Bankers' Association posted the reward.

5 BANDITS STEAL \$10,000 FROM JEFFERSON BANK

Jefferson, Wis., Nov. 7.—(U.P.)—Five bandits, who slugged one man, robbed the Farmers' and Merchants' Bank here today and escaped with approximately \$10,000.

William Kistert, bank official, who tried to press the burglar alarm, was hit on the head by one of the bandits.

The bandits fled toward Milwaukee with a posse in full cry.

LONG TIME FARMER DIES AT HIS HOME

Rites for Jacob Sorenson, Davenport Township, to be Conducted Saturday

NO RELATIVES KNOWN

Has Lived Near Brainerd Since 1887; Wife Died Two Years Ago; Born in Denmark

Jacob Sorenson, a farmer living near Brainerd since 1887 died at his home at Davenport township last evening at the age of 74 years.

Born in Denmark Mr. Sorenson came to the United States in 1879. He was married 38 years ago to Miss Carrie Peterson of St. Paul who passed away two years ago.

Interested in township welfare

activities Mr. Sorenson served as a L. Bolstad officiating. Interment will be at Evergreen cemetery.

Mr. Sorenson is without any known relatives.

Funeral rites will be conducted Saturday afternoon at 1:30 o'clock from the D. E. Whitney mortuary, Rev. O.

The Art Plaque Painting

This Winter's Most Enjoyable Diversion

Free Instruction This Week

Seldom has a vogue become so popular in so short a time as that of Plaque Painting!

And probably that is due to the introduction of Stonite, a REAL STONE COMPOSITION material that has been moulded into the most artistic plaques, book ends, and treasure chests you can imagine.

You and your friends—older folks and young people—can learn Plaque Painting under a prominent instructor at D. E. WHITNEY ART SHOP this week. All oil paints and brushes are furnished FREE during the term of this Plaque Painting School.

For Christmas gifts, home decorations, or as a "hobby" there's nothing quite comparable to designing these artistic, useful, objects in the colors you select.

Saved County Money

By quick action Sheriff Claus A. Theorin saved the county considerable money at the opening of the district court. When the calendar was called it was found that no cases were ready for trial and the judge ordered summoning of the petit jury postponed from November 6 to November 12.

The sheriff and his deputies quickly notified the 36 jurors, so none came to court, thus saving 10 cents per mile mileage and \$4 per day attendance had any missed the sudden notification.

The Navy is well represented in the evening classes of some public schools. It is interesting to learn that there are about 100 men from naval shore activities among the 900 students enrolled in the night courses of a high school in Norfolk, Virginia. The majority of the men taking courses at evening schools are studying along commercial lines.

DAY by day the hours for duck hunting in our state are growing shorter and shorter for the hunter. According to the state statute, which is the same as the federal law, migratory fowl may be shot during the open season from a half hour before sunrise until sunset. Days grow shorter for the sun rises later and sets earlier.

THE old bridge spanning the Mississippi river between Anoka and Champlin is being torn down and traffic has been routed across the new concrete bridge recently dedicated.

DUSTY RHODES, air pilot well known in Brainerd, is to carry the Head of the Lakes Thanksgiving turkey gift to President Hoover.

AMERICAN Education Week will hold forth from November 8 to 15.

BEWARE THE COUGH FROM COLDS THAT HANG ON

Coughs from colds may lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for coughs from colds and bronchial irritations. Creomulsion contains, in addition to creosote, other healing elements which soothe

and heal the inflamed membranes and stop the irritation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs. Creomulsion is guaranteed satisfactory in the treatment of coughs from colds, bronchitis and minor forms of bronchial irritations, and is excellent for building up the system after colds or flu. Money refunded if not relieved after taking according to directions. Ask your druggist. (adv.)

CREOMULSION

FOR THE COUGH FROM COLDS THAT HANG ON

37 NEW PUPILS JOIN BRAINERD SCHOOLS

Brainerd High to be Reinstated on Accredited List of High Schools

BOARD PLANS DEDICATION

Armistice Day to be Half Holiday; Meeting for Night School Students Announced

Thirty-seven new registrations were reported in the Brainerd schools as a whole during October, and 22 pupils actually belonging to the schools more than at the close of the previous month. Superintendent of Schools W. C. Cobb reported at the last regular meeting of the Brainerd Board of Education.

State Inspector E. N. Phillips of the department of education made a brief visit last week, going through the new high school building and left a blank to be filled at his office, looking toward the re-instatement of the Brainerd high school on the accredited list of the North Central Association of Colleges and Secondary Schools. The Brainerd school had automatically dropped from the list a few weeks before the fire because of the inadequacy of the old high school building. Membership in the North Central association means certain advantages on the part of the students going away to college or the Universities in having their

entrance requirements approved without examination. The North Central Association includes about 20 states in the north central district of the country.

Provision was made for the afternoon of Armistice Day as a school holiday, the morning to be given to the regular school problems. Representatives of the American Legion will visit each school during the morning and explain the meaning and significance of Armistice day.

Registrations for the evening classes for foreigners will be received at the superintendent's office in the city hall or at the office of the clerk of district court at the court house. All persons who may be interested in this class, which is for foreigners looking toward the securing of citizenship papers, are asked to notify the Clerk of Court W. A. M. Johnstone or the Superintendent of Schools W. C. Cobb at once.

A preliminary meeting for prospective evening school candidates will be held at 7:30 o'clock on Saturday evening of this week, November 9, in the basement class room of the city hall where these classes were conducted last year.

About 60 of the Brainerd teachers attended the M. E. A. meeting held recently at St. Paul.

The new under the direction of the board are preparing lists of books needed in their several departments for the new high school library.

Under the direction of the music supervisor, an operetta to be given early in the new year, shortly after the opening of the new high school building, will be put on, the proceeds

to go towards the piano fund for the new auditorium.

Plans for dedication of the new high school have already been considered by the Board of Education and very shortly the committee will have the matter well in hand.

The following is the statistical summary:

High school	678	655	613
Lowell	444	437	426
Harrison	356	350	342
Lincoln	351	333	328
Whittier	274	265	259

Youth Has Found The Way!

AN ANCIENT PREJUDICE HAS BEEN REMOVED

AMERICAN INTELLIGENCE has cultivated the fertile field of opportunity and invites everyone to roam in search of desired pursuits. Nothing remains of that ancient prejudice which bound the apprentice, without choice, to his career.

"toasting did it"—

Gone is that ancient prejudice against cigarettes—Progress has been made. We removed the prejudice against cigarettes when we removed harmful corrosive ACRIDS (pungent irritants) from the tobaccos.

YEARS ago, when cigarettes were made without the aid of modern science, there originated that ancient prejudice against all cigarettes. That criticism is no longer justified. LUCKY STRIKE, the finest cigarette you ever smoked, made of the choicest tobacco, properly aged and skillfully blended—"It's Toasted."

"TOASTING," the most modern step in cigarette manufacture, removes from LUCKY STRIKE harmful irritants which are present in cigarettes manufactured in the old-fashioned way.

Everyone knows that heat purifies, and so "TOASTING"—LUCKY STRIKE'S extra secret process—removes harmful corrosive ACRIDS (pungent irritants) from LUCKIES which in the old-fashioned manufacture of cigarettes cause throat irritation and coughing. Thus "TOASTING" has destroyed that ancient prejudice against cigarette smoking by men and by women.

"It's toasted"

No Throat Irritation—No Cough.

TUNE IN—The Lucky Strike Dance Orchestra, every Saturday night, over a coast-to-coast network of the N. B. C.
© 1929, The American Tobacco Co., Mfrs.

"It's Toasted"—the phrase that describes the extra "toasting" process applied in the manufacture of Lucky Strike Cigarettes. The finest tobaccos—the Cream of the Crop—are scientifically subjected to penetrating heat at minimum, 260°—maximum, 300°, Fahrenheit. The exact, expert regulation of such high temperatures removes impurities. More than a slogan: "It's Toasted" is recognized by millions as the most modern step in cigarette manufacture.

GOPHER STAR PLAYERS IN FAIR SHAPE, LEAVE FOR IOWA

REIBETH MAY FAIL TO GET INTO THE GAME

SUSTAINED INJURIES IN COE
GAME, NAGURSKI TO PLAY
HALFBACK

BOB TANNER IS BACK AT END,
BARNHART RESUMES SIG-
NAL CALLING

Minneapolis, Nov. 7.—(U.P.)—With its star players in only fair physical shape the Minnesota football squad was to leave here tonight for Iowa City to engage Iowa in a game that may have an important bearing on the western conference championship. Several minor injuries, which were partly offset by the recovery of Harold Barnhart, were reported as the varsity went through a grinding scrimmage against the Freshmen on Thursday.

Clint Reibeth may fail to get into the game at halfback because of injuries suffered in the Coe game but Bronko Nagurski will continue to

MILACA, C. I. GAMES CLOSE B. H. S. GRID SEASON

function at fullback despite a broken thumb, Dr. C. W. Spears indicated. Bob Tanner was back at end in Thursday's scrimmage and Barnhart resumed his signal calling duties from the blocking halfback position.

Followers of the Gopher practice sessions pointed out that Nagurski may be shifted to tackle against the Hawkeyes if the Iowa line shows too great power. For that reason, they said, Russ Leksell was drilled this week at fullback.

Coach Spears also was believed prepared to send Royal Hoeffler in to replace Tanner at end and to move "Big Munn" back from tackle to fullback. The Minnesota squad was to attend a student pep fest on the campus late today before entraining for Iowa City at 10:20 P. M.

Guatemala City, Nov. 7.—(U.P.)—The volcano Santa Maria ceased violent eruption today after a three-day period of activity which officials estimated claimed at least 300 lives.

Dense columns of black smoke continued to pour from the crater but the flow of lava which spread over the coffee plantations and villages near the volcano's base had ceased.

HARD OPPOSITION SEEN IN LAST TWO FOOTBALL CLASHES

KASCH'S CHARGES OFF TO MIL-
ACA TOMORROW; RANGE TEAM
HERE ARMISTICE DAY

HOLIDAY ENCOUNTER DOPED AS
CLASSIC FINALE; WILL AT-
TRACT MANY SUPPORTERS

The curtain will be rung down on the Brainerd high school football season within the next five days by the playing of two games, both doped to be hard encounters for the locals.

Tomorrow Coach Kasch's squad will leave for Milaca where they will play in the afternoon. The Brainerd team is favored to win but a hard struggle is looked for.

Coming as a classic finale, the

Brainerd-Crosby-Ironton game Armistice Day, Monday afternoon here, will be an exciting clash.

The range team will be at the peak of its strength. Rivalry between the two schools will be reflected on the gridiron and on the sidelines where both schools will be largely represented by rooters.

Thornton Wilder Novel Makes
Colorful Film

Raquel Torres, the tropic heroine of "White Shadows in the South Seas," is next to be seen in a role that is one of the important acting plums of the year. She plays Pepita, the convent girl in Metro-Goldwyn-Mayer's massive filmization of "The Bridge of San Luis Rey," which is showing at the Lyceum tonight and Friday.

The filmization of the famous Thornton Wilder novel of Peru puts on the screen one of the famous novels of a decade. It is a vivid drama of Peru, with spectacular settings and costumes, and one of the mightiest thrills of the year in the crash of a great bridge. The cast is one of the most important assembled in years.

"CORPORAL EAGEN" OPENS THIS EVENING

U. C. T. Auditorium Scene of Initial
Showing of Hilarious Comedy of
American Army Life

HOME TALENT CAST OF 300

Sell-out for Both Tonight and Friday
Night Assured as Plays Rounds
Into Huge Success

At 8:15 P. M. this evening the curtain will rise on the initial performance of "Corporal Eagen" at U. C. T. Auditorium, with a full house assured by the advance sale of tickets. The play will be repeated tomorrow evening at the same hall.

"Corporal Eagen" is a riotous comedy of "rookie days" in the American training camps during the world war. The humorous side of camp life is depicted most faithfully by a cast of

300 local people, and ex-service men who have seen rehearsals are loud in acclaiming the play as one of the most accurate descriptions of the woes and misfortunes of the budding doughboy ever shown on the stage.

The play is directed by the Universal Producing Co. under the auspices of the Brainerd Ladies' Band, and has received the whole-hearted support of Legionnaires and business men and the public in general.

The play appears assured of success both financially and as an entertainment feature. There still remain a few good reserved seats which may be secured at the Economy Drug Co.

General admission tickets will also be on sale at the door both evenings.

After the performance tomorrow evening there will be a dance at the auditorium with music by Lou's Orchestra. The services of the orchestra have been donated to furnish music before the performance and between acts.

A matinee performance is being given this afternoon at 4 o'clock for school children, this being necessitated by the huge advance sales for both evenings.

Hi-test TYDOL

EMERALD GREEN IN COLOR FOR YOUR PROTECTION

Over Fifty Years of Pioneering and Achievement

The original Tide Water Company was organized in 1878. It is among the oldest in the industry. It laid the first pipe line across the Allegheny Mountains. It carried the first pipe line to Atlantic tide water. Always it has pioneered... in producing, in refining, in selling. And so prudent, so far-seeing has been its direction that Tide Water today stands as one of the most powerful and successful oil companies in the entire world.

Tide Water owns or controls its own sources of supply. Its equipment is of the finest and most advanced type. It operates a great fleet of tank steamers. Its distribution is world wide. And the continued increase in volume of retail sales indicates the growing preference of the motoring public for Tide Water's featured products... Veedol Motor Oil and Tydol Gasoline.

Last Fall, Tide Water introduced *Hi-test* TYDOL in the East. Almost overnight it became the leader of non-premium gasolines... the greatest success in gasoline history. Now, from its Middle Western Refineries, Tide Water is able to supply a superior gasoline to motorists in this territory.

a high-test, super-power gasoline—AT NO EXTRA COST!

If you've been paying excess prices per gallon for a high-test, super-power gasoline... then change to *Hi-test* TYDOL. For *Hi-test* TYDOL gives you extra performance at no extra cost. Extra liveliness at no extra charge. Extra power without a price penalty. You spend less... you get more.

Every TYDOL pump is now supplied with this amazing new gasoline... *Hi-test* TYDOL. Try it today. For better mileage. For economy. For sparkling speed and power. Don't miss this latest and greatest improvement in motor fuels. Stop at the nearest TYDOL pump today. And GO on the GREEN—TYDOL!

111 LIONS ATTEND FIRST ZONE MEET

Distinguished Guest at Dinner Gathering Was Mort Newcomb of Board of Governors

DR. W. B. KELLY PRESIDES

Greetings Were Expressed by Presidents of Clubs From Eight Localities

Declared by 111 Lions an unqualified success the first zone dinner meeting of the Lions clubs embracing Sauk Rapids, Melrose, Long Prairie, Aitkin, Little Falls, Wadena, St. Cloud and Brainerd was held last evening at the Ransford hotel presided over by Dr. W. B. Kelly, deputy district governor, Aitkin.

Mort Newcomb, of Minneapolis, member of the Board of Governors, Lions International was the principal speaker while presidents of each club extended greetings.

Dr. G. I. Badeaux, Brainerd, sang "Friend of Mine" and "Road to Mandalay," very creditably.

EPWORTH LEAGUE RALLY AT AITKIN

Sub-District Meeting to be Attended by Many Brainerd Young People

A sub-district rally of the Epworth League will be held tomorrow evening at Aitkin. About three of four carloads of young people from Brainerd expect to motor over for the occasion. The sub-district rally will include members from the Crosby, Ironton, Deerwood, Hill City, Swatara, Pine River, Brainerd and Aitkin leagues.

Among the speakers for the evening are Rev. Blaine Lambert of Duluth, who is District Superintendent of the Epworth League, and Rev. W. H. Downing of Eleveth, District President of the Epworth league.

The rally will open with a banquet to be served at 6 o'clock, with the program following.

Stomach Troubles Headache and Dizziness

If your stomach is sick, you are sick all over. If you can't digest your food, you lose strength, get nervous and feel as tired when you get up as when you went to bed.

For 10 years Tanlac has restored to health and activity many thousands who suffered just as you do. Mrs. Bert Dikeman, of 4151 30th Ave., South, Minneapolis, Minn., says: "The flu left me with bad stomach trouble. 90 lbs. was all I weighed. But Tanlac at once began building me up. Now nothing can upset me."

Let Tanlac do for you what it did for this sufferer. It corrects the most obstinate digestive troubles—relieves gas, pains in the stomach and bowels. It restores appetite, vigor and sound sleep.

Tanlac is made of roots, barks and herbs. The cost is less than 2 cents a dose. Get a bottle from your druggist today. Your money back if it doesn't help you.

YOUTHS SENTENCED ON BURGLARY COUNT

Brown and Granger Get One to Five
Year Sentences on Pleas of
Guilty to Breakin

DAVE KING ARRAIGNED

Indicted by Grand Jury on Charge of
Sale of Game Ducks to Deputy
Game Wardens

Judge B. F. Wright sentenced James Edward Brown and Earl LeRoy Granger to a term of one to five years in the St. Cloud reformatory on their pleas of guilty this morning in district court to charges of burglary.

The two were apprehended by Richard Parks as they entered his garage at Nisswa. Parks held the pair captive with a gun until authorities arrived and placed them under arrest.

Both youths are under 20 years of age. The crime of which they pleaded guilty to was blamed to a "bumming trip" which they were taking, the boys needing money to continue westward. Previous to breaking in at the Nisswa garage the two, according to their confessions, entered the postoffice at Fort Ripley, stealing from there a package for delivery. Money was also taken from the cash drawer in the store, the boys confessed to County Attorney Arthur J. Sullivan and County Sheriff Claus Theorin.

Upon recommendation of County Attorney Sullivan for leniency, Judge Wright suspended sentence at Shakopee upon Marie Danielson who pleaded guilty to larceny in the second degree.

The young woman wept as she stood before the court pleading guilty to stealing a grip containing clothes from the N. P. depot.

County Attorney Sullivan explained to the court that the defendant had been in custody since June.

The story of Marie's life brought sympathy from court. The young woman had lived with her parents in South Long Lake until she had secured house work in Brainerd. After working a year she married and was granted a divorce on grounds of desertion after two years of married life. Her husband was given custody of their child. Unable to find work she returned to her home and following a rift in relations between herself and her mother she left home. For months she lived a hand to mouth existence in Brainerd. Unable to furnish bonds following the theft of clothes from the N. P. depot she was held in the county jail awaiting trial in district court.

With her estranged husband in Indiana Marie volunteered to pay the keep of the child at a Brainerd home. The bill for that keep amounting to \$175 is still unpaid and Marie must work now to pay for it. She said she

would like to have her child back. The court told her he would take her request under advisement.

Marie must report to the county child welfare worker once a month, must obey her parents should she remain at home, and be on good behavior, Judge Wright ordered in suspending sentence until the next term of district court in May, 1940.

Miss Rebecca Cassell, county child welfare worker, informed the court she would assist Marie in securing work.

Fails to Pay Alimony

George Stimach, Irondale township, charged with failure to pay alimony was sentenced by the court to the county jail for contempt of court on his plea of guilty.

Indicted by the grand jury, Dave King, of Garden Lake, was arraigned on the charge of sale of game ducks. He pleaded not guilty. Bonds were set at \$500.

King is charged with the sale of 12

MISS JESSIE DUNN DIES IN CANADA

Was Former Resident of Brainerd,
Leaving for Edmonton a
Year Ago

Word was received today by friends of Miss Jennie Dunn, telling of her death in Edmonton, Canada. She passed away on Sunday, October 20 at the age of 62 years. The funeral was held the following Tuesday afternoon.

the Rev. C. F. McIntosh officiating. Death was caused from heart trouble.

Miss Dunn leaves to mourn her passing two sisters, Miss Ellen Dunn and Mrs. J. M. Strang of Edmonton. Miss Dunn was a former resident of Brainerd, leaving for Edmonton a year ago last August.

Eastern Star School of Instruction Mrs. Frances Abrahamson, district instructor, will conduct a school of instruction at Alpha Chapter, O. E. S. Monday evening. Members are requested to be there promptly at 8 o'clock.

Women's Catholic Order of Foresters Women's Catholic Order of Foresters will meet this evening in the church hall at 8 o'clock.

"REST CAMP" IN FRANCE

Gruenhagen Co. Window Display Gives
Replica of Camp at
LeHavre, France

With "Corporal Eagen" showing the drilling over here before crossing the waters, the Gruenhagen Company have in their window a replica of the "Rest Camp" when the soldiers reached France.

The window display shows the long trail leading to the rest camp at LeHavre, France. The original camp was built on a high hill, and many of the "boys" attested to the fact that it was anything but a place of rest considering the long road to climb. The display is unique and interesting, and is in commemoration of Armistice Day.

"The Masked Hostess"

by BLAIR STEVENSON

CHAPTER IV

Nathalie thanked him. "I am sure it will be enough. I am sending my trunk to Southampton, but keeping my room. If I should not return will you please see that my bill is mailed me in care of Mrs. Pemberton Swayne?"

The clerk assured her he would. She went out and took a taxi to her train.

Her spirits were at their lowest ebb when she entered it. But they lifted just as the train began to move; for just then she remembered John Sloan and what he had said to her; that if she needed money or assistance of any kind she was to call him up without delay.

The Links, Mrs. Pemberton Swayne's place at Southampton, was one of five out-of-town houses she maintained, the four others being at Newport, Lenox, Tuxedo and Palm Beach. She usually lived at The Links in the early autumn, after which she occupied her town house for a while. Then she went to Florida for the winter or traveled abroad.

She had hand-picked her husband and his fortune had been added to hers after his death. She had only a single ambition remaining in life. This was to appear as youthful and handsome as her four handsome daughters. She was Nathalie's father's older sister, senior to him by three years and on the brink of her fiftieth birthday.

Her various households revolved around her good looks and her charm, which was not of the heart but effective when it pleased her to bring it into play. She was mistress of the social art of making others abashed or miserable, according as it pleased her best, and was slender, graceful and a ruler.

when Nathalie arrived and they did not meet till dinner. Her house was full of guests and before them she greeted Nathalie with every show of welcome and affection. Nathalie responded to it almost hungrily, though she doubted the warmth of it and was apprehensive of what would be said between them when they were alone.

It was her father who had taught her to read her aunt and comprehend her nature. He had often discussed her with Nathalie, in high good humor but with unerring insight.

"She has a blind side," he used to say. "She can tolerate any iniquity except that of not having money. And a great policeman was lost when she put on petticoats."

(To be continued tomorrow)

18 Year Goitre Removed
John Koubal, St. Paul, Minn.

Says, "Come or write to 111 W. Magnolia St. and I will tell of my complete success with Sorbol-Quadruple. It is easy to apply and inexpensive." Get more information at Johnson's Pharmacy or write Sorbol Company, Mechanicsburg, Ohio. Sold by all druggists.

Makes You Look Years Younger

The skin of youth lies in every box of new wonderful MELLO-GLO Face Powder. The purest powder made—its color is passed by the U. S. Government. No pastiness, flakiness or irritation. A new French process makes it spread more smoothly and prevents large pores. No more shiny noses—it stays on longer. Use MELLO-GLO. Johnson's Pharmacy. advt

No More Piles

Pile sufferers can only get quick, safe and lasting relief by removing the cause—bad blood circulation in the lower bowel. Cutting and salves can't do this—an internal remedy must be used. Dr. Leonhardt's Hem-Roid, a harmless tablet, succeeds because it relieves this blood congestion and strengthens the affected parts. Hem-Roid has a wonderful record for quick, safe and lasting relief to Pile sufferers. It will do the same for you or money back. H. P. Dunn, Johnson's Pharmacy and druggists everywhere sell Hem-Roid with this guarantee.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderly at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store, Johnson's Pharmacy and Economy Drug Company. advt
